Best in the world lighting,
best for the Indian conditions

Jaquar Lighting products are built keeping in mind the tough, ever-changing Indian weather conditions. These products pass through a wide range of tests to ensure their endurance, reliability and durability.

Jaquar Lighting products follow the philosophy of sustained development. Precisely why, all these products are eco-friendly and energy efficient.

Jaquar Lighting LED products:

- Save upto 90% of the energy required for similar levels of illumination by conventional, non-LED products

- Designed to be glare-free and provide uniform illumination

- Built to be high efficiency products that provide approx.
  100 Lm/W- higher than the most competing products

Jaquar GROUP
