

Presenting SYSKA FANS Sarsaraati... Hawaa!

Syska's range of conventional and decorative fans are like a breath of fresh air. The fans come with an advanced noiseless motor and broad blades that provide superior air circulation. The decorative fans are aesthetically designed and molded to perfection.

They make your living spaces look grand with wood, metal, plastic, and transparent blades along with a range of fans having built-in LED light and a remote control feature that brings in a lot of convenience to the user. Innovative BLDC fans add to the range of power saver fans with brushless motor technology assuring quality and long-life with great savings.
